

VASAB Vision 2040

Co-creation and engagement

Alda Nikodemusa, VASAB Secretariat

Long journey to new VASAB Vision 2040

(2017) 2019

2022

Challenges:

- *Remotly due to COVID*
- *RU full-scale invasion of UA*

Significance of Stakeholder`s Involvement in Visioning

More informed policies

- Alignment of future planning and decision making across levels and stakeholders
- Sharing the joint Baltic vision

Greater confidence of the result

- Coordinated opinions and inputs
- Ownership among stakeholders
- Improved document

Linked to getting closer to the Vision

- Potential Future Actions selected in close collaboration with stakeholders
- Shared commitment for implementation

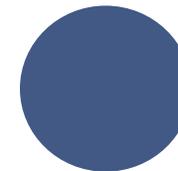

Vision 2040

From Vision to reality

- **Continuous dialogue**
- **Building networks & linkages**
- **Joint actions & projects**
- **Following the progress of implementation**

Thank you!
